Your First Sales Post

The post ready for Instagram and Marketplace, with its checklist.

STEP 1

The photo

One garment, shown well.

Before you take the photo

- ☐ Garment pressed, on a mannequin or on a plain surface.
- ☐ Natural window light, no flash.
- ☐ Uncluttered background (a plain wall, a light sheet).
- ☐ One photo of the front, one of the back and one of a detail.
- ☐ Portrait format for Instagram (4:5) and for Marketplace.

STEP 2

The post text

Ready for Instagram and for Facebook Marketplace or Etsy.

Instagram

✨ Made-to-measure corsets and lingerie ✨

I make every piece to your measurements: we take your measurements, make a toile, try it on, and only then do I cut the final fabric. That's why it fits perfectly.

📌 {style}: {price}

📌 Includes measurements, toile and {N} fittings

📌 Ready in {X} weeks · nationwide postage

I have {N} spots this month. Message me "I WANT ONE" and I'll send you everything 📧

Facebook Marketplace / Etsy

Title: Made-to-measure corset · {style} · handmade

Description: Corset made to your measurements, toile and fittings included. Choice of fabrics. Ready in {X} weeks. Nationwide postage. Price per finished garment. Ask me about sets with briefs or a bra.

STEP 3

Launch checklist

The day you post.

The day you post

- ☐ Your 10 quick replies saved in Instagram, WhatsApp Business or Messenger.
- ☐ The calculator with the price of your 3 styles.
- ☐ The order form ready to send.
- ☐ Posted on Instagram (feed + story with a link to your messages).
- ☐ Posted on Marketplace or Etsy with 3 photos.
- ☐ You answered every message the same day.
- ☐ The next day: a process story to keep the conversation going.

Next step

Take the 3 photos of your best garment today and publish the post with your price.
